

# PROSEGUR SMART CASH SOLUTIONS

## Cash2Bank Compact

Do your staff spend too much time dealing with the burden of cash admin such as counting cash each day?

Are you after a safer solution than having your staff walk to a bank?

Would you rather your staff spend their time serving customers and having your cash electronically transferred to your account and see cash-flow improvements?

**Introducing our brand-new, smallest ever Cash2Bank device. This device is ideal for smaller stores such as convenience, bakeries, petroleum, cafes, restaurants and more!**

- High-speed note deposit machine.
- Ideal size to fit under the counter (our smallest Cash2Bank yet).
- Change deliveries can be offset against the daily bank transfers, no EFT or cash for cash required for payment.
- Configured to your business requirements.
- Same day banking (electronically transferred to your bank account).
- Multiple user settings.
- Fully insured, potentially lowering your premiums.
- Fixed weekly price, all inclusive.

- 7" TOUCHSCREEN
- NOTE DEPOSIT MACHINE (UP TO 2,500 NOTE CAPACITY)
- IDEAL SIZE TO FIT UNDER THE COUNTER
- CHANGE DROP INCLUDED TO ACCOUNT FOR COINS

Dimensions (mm)  
695 (H), 380 (W), 630 (D)

**3 COMPACT  
DEVICES  
MINIMUM!**

## HOW PROSEGUR SMART CASH WORKS

- Staff deposit daily cash takings into the Cash2Bank machine for it to be counted and stored securely whilst being fully insured. No liability to you.
- Cash is electronically transferred to your bank account, improving cash flow and removing the need for staff to walk to a bank.
- A real-time reporting platform to track your cash anytime, anywhere and from multiple devices.
- A real-time reporting platform to track your cash anytime, anywhere and from multiple devices.

## BENEFITS

### LOWERS WAGE COSTS AND INCREASE EARNINGS

- Eliminates the time taken on cash counting
- Assists with till preparation, change requests, reporting and reconciliation and more!

### INCREASES CASH FLOW WITH SAME-DAY BANKING

- Same day banking with funds electronically transferred to your bank account
- Detailed reporting to minimise any financial errors

### SUPPORT NOW AND IN THE FUTURE

- Onsite training with staff
- 100% Australian-based national call centre support

### PROTECTS YOUR BUSINESS AND STAFF

- Once cash is deposited in a Cash2Bank it becomes our liability
- A fully insured solution removing the need for staff to walk to the bank with cash
